

Character psychology- How would you describe the character's personality based on facial features and expressions?

The Grinch

- Menacing
- Playful
- Devious
- Wrinkles exaggerate mouth and eyebrows – smile= devious grin. Eyebrows= strong negative emotions.
- Yellow eyes + make him look unpleasant to the eye. Evil?
- Features are harsh and excessively protruding
- Wants to have fun
- Looks funny- strange.

BFG

- Very soft and rounded features
- Joyful
- Pleasantly curved eyebrows/ cheekbone/ mouth crease curves.
- Big ears and nose- old but pleasant.
- Eyes are very gentle.
- Evaluation= he is a kind and gentle person.

<https://felipehansen.cgsociety.org/4jfk/old-man>

- Harsh features
- Seems like a curmudgeon (highly irritable)
- Overall=weak- lots of bark but no bite.
- Caretaker vibe.
- Lives alone vibe.
- Literature type- probably has lots of books at his home.

'Watari' from Death note

- Business/ work oriented.
- Strict.
- Intellectual type.
- Good at his job.
- Not the restful type, even at his age.
- Features- clean facial hair cuts. Sleek and tidy hair style.
- Puts effort into his appearance.
- Very professional
- Evaluation= Harsh, stern, regimented, not kind, order orientated.

Geri's game

- Open minded to humour, kind, joyful.
- Weak chinned? Small forehead indicates lack of intelligence (supposedly) (or at least not highly intelligent).
- Pointy but rounded features.
- Still fully active in terms of his senses- not a mindless elderly.
- Blind, can't eat. Quite old
- Positive

Geri: Good style and mood reference for the first part of my animation:
Features I like:

- Red nose
- Red ears
- Hair and eyebrow style
- Bony fingers
- Thin figure, big head
- Neck shape
- (Note) he has no teeth! Think about how his teeth should look like. A tea drinker at the at of 60/70.

'Yoshinobu Gakuganki' from Jujutsu Kaisen

- Very old, and worn down. Ancient. End of life
- Powerful/influential
- Still put effort into his appearances
- Perhaps connected to religion
- Negative connotations

Silver Fang

- Death stare at enemy - Ready for a fight-
- 'If you see him- get ready for harsh training'.
- Good at battle both physically and intellectually.
- Loud and low voice.
- Sharp features made from squares and triangles.
- Scary facial expression - intimidating.
- Fierce mood/aura.
